

Feedback from 2015 Inaugural Trail Run

Thank you so much for organizing the very best TRUE XC race that I had the pleasure of running. I absolutely loved the way you left a good amount of trees, and rocks to hurdle over; it was one of the most challenging courses I've ever encountered and I ran Cross Country 4 years in high school. I've run many courses, including the Ocean State XC Invitational a few weeks back, but your team's course was by far the very best and most fun I've ever had while running. It was exhilarating.

Thank you so much for making my 12 year old's first 5K a wonderful experience! You guys did a great job yesterday, I will run it next year with her if you do it again!

I thought the race was terrific. It is a good course and was well marked. Everything was well organized and seemed to run smoothly from a participants point of view.

On a sunny October day in those woods, if you don't instantly come alive, you are not truly living and enjoying nature and life. I know our team really had a blast.

I ran it with my mom and we both had a lot of fun. We loved the zigzagging trails, jumping over logs, hanging ghosts, and the pumpkin mile markers were both cute and helpful. Thank you for a great morning!

The pumpkin mile-markers were outstanding!!!

Awesome job clearing the trails and devising a fun route!!! Truly a great race! Well done!!

You guys did a nice job organizing and marking the trail, with monitors at the strategic spots. Really enjoyed the course, thanks.
